TOMORROW IS TODAY

We are often told that school is a preparation for "real" life, the life we shall lead when we have finished school and are out in the world on our own. In other words, we are endeavoring to answer the question "Why?" about everything we do at Bulkeley.

FOOTBALL

The beginning of the 1953 football season found Bulkeley with one of the youngest and most inexperienced teams it has seen in many a moon. In fact, many of the city's sports experts didn't show much faith in the "green" Maroons. But "Babe" Allen had some tricks up his sleeve, and with his returning lettermen he shaped a hard-fighting eleven that terminated the season with a 5-3 record. The three losses were without a doubt the team's three most courageous stands, but Lady Luck smiled upon the other teams.

The highlight of the '52 season was the record-making victory over our arch rival, New Britain. The Bulldogs nipped the out-of-towners 13-12 for the third straight win over the Hardware City rivals. Pete Kochinis, a Sophomore, shared the scoring honors with veteran Archie Conderino. Big George Gilbert crashed through center with what proved to be the winning point. Lineman Dick Beebe, a promising Sophomore, was voted the most valuable player in the Turkey Day Classic and as a reward for his efforts, his name was placed on the "Babe" Allen Trophy along with that of the immortal Frankie Mirabello.

Does your tummy hurt, Pete?

Hey, bud, got the time?

Hurrah for our side.

Who's got it, Nick?

We closed the season with perhaps the most breath-taking game ever witnessed at the Field House. The Bulldogs were meeting New London in the last game of the season, with a record-smashing crowd on hand. Revenge was foremost in the minds of the Maroons, for New London had been responsible for Bulkeley's only defeat of the season. The Bulldogs battled back from what seemed to be another New London victory to a fourth period deadlock, 40-40. In the closing seconds of the game, Vincent was fouled. His first shot missed. The stands went wild. He calmly toed the foul stripe—got set—and shot. Pandemonium broke loose. Bulkeley led 41-40. The Maroons managed to keep New London scoreless for the remaining seconds, and the buzzer ended the game and the season. Bulkeley, with a 15-1 record, had humbled the only team that had defeated them.

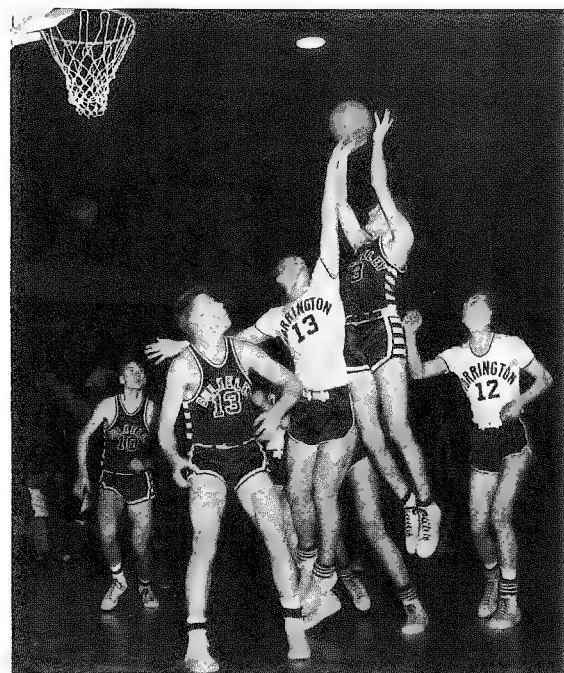

The Maroon quintet next traveled south to New Haven for the state tournament, where they had a short stay. A "hot" Torrington five knocked the Maroons out of the competition by handing them a heart-breaking 58-50 loss. Thus closed "Babe" Allen's career as basketball coach at Bulkeley, with some exciting memories to recall of that fine 1952-53 championship squad.

And up we go

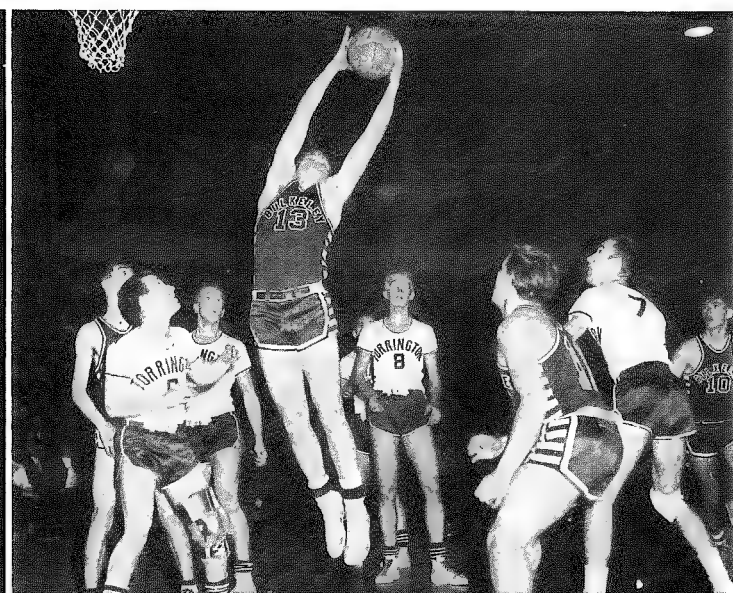

BASKETBALL

The 1952-53 basketball season exploded into the most outstanding year the Allenmen have had since 1948. The Bulldogs hung up a 15-1 record, and triumphantly annexed the city championship by making a clean sweep of the series. The Trinity Field House was the scene of Bulkeley's most exciting games. It was there that the Bulldogs nipped Weaver twice, with scores of 51-49 and 63-54. The scores by which Bulkeley beat Hartford High were very similar: 59-54 and 64-55.

TRACK

Flash Atlin's track team had won several indoor meets and was looking forward to a highly successful season as this book went to press. Sam Giangrave took third place in the two-mile run in the state indoor meet held at Yale.

In the first meet of the season against Weaver, the Atlinmen dominated the distance events. Giangrave won the mile and Joe Spatt captured the half mile event. George Johnson tied for first in the 100 yard dash and took second in the high jump, while George Gilbert placed second in the shot put. The relay team, consisting of co-captains Johnson and Christiana, Spatt, and Camarca showed great promise as it stopped its northend rivals.

All indications pointed toward another winning season for Flash and his runners.

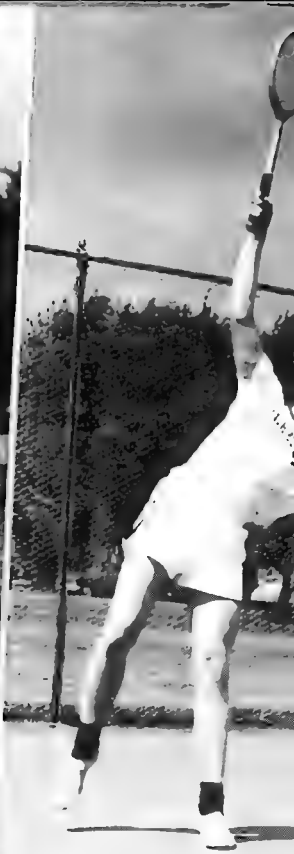

Did you make it, Fred?

What seems to be the trouble, Mary?

This election is so exciting!

One reason why our library is attractive

Yes, I made it all by myself

I hope the hem will be even!

Looking over the cars that grandpa drove!

Talking things over in English class

The pause that refreshes!
